Unique Duni Quality

We offer a large range of qualities when it comes to our materials. There is something for every occasion. For indoors, outdoors, formal or large parties. Duni quality is something you can touch and feel.

Tissue ★☆☆ ★★☆

Made of a mixture of new and recycled fibres. Bleached chlorine free. Only colours that comply with the Food Contact Law are used. In 1-ply, 2-ply and 3-ply.

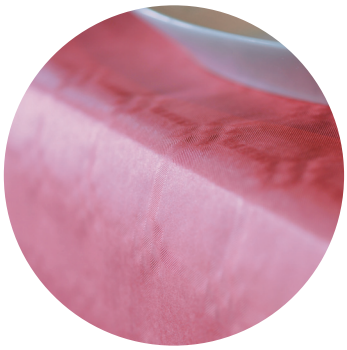

Dunilin® ★★★

All the positive aspects of napkins. On the outside, they're extremely decorative. Wonderfully fleecy on the inside and a real pleasure to fold.

Duni Elegance Lily® ★★★

All the benefits of linen napkins without the drawbacks: a revolutionary material with elegant embossing just like fabric and a beautiful linen shimmer.

MG-Paper ★☆☆

Paper-based tablecovers. An excellent choice for large gatherings. Economical, practical and conveniant in many dyed-through colours.

Dunicel® ★★★

A unique tissue-based material. The weight makes it ideal for table covering since it folds nicely. In various formats. Very linen-like.

Dunisilk®+ ★★★

Our Dunisilk®+ material is water resistant and can be wiped clean. It offers a great value for your money since the tablecover can be used again and again.
